

FESTIVAL/ EVENT GRANT PROGRAM GUIDELINES/INSTRUCTIONS

(Category A)

PURPOSE

This document sets forth the guidelines for Festival/Event funding from Tourist Development Taxes. Applications will be accepted from organizations that will sponsor and promote festivals/events held in Putnam County that bring substantial numbers of overnight visitors to the County. Our objective is to attract high quality events which, in turn advance and promote tourism and bring economic benefit and enhance the quality of life in Putnam County through events.

INTRODUCTION

Putnam County implemented and imposed a Tourist Development Plan in 1992. The Tourist Development Council (TDC) oversees the proceeds of the tax on behalf of the Putnam Board of County Commissioners. Florida Statute 125.0104 is the enabling legislation for the Tourist Development Tax. The Putnam County Board of County Commissioners created the Tourist Development Council by Ordinance 92-21.

The TDC Category A grant program is permitted under state statutes as a means of advertising and promoting tourism to Putnam County. Funding is to be used for presenting high quality festivals/events that will attract overnight visitors, and to advertise and promote these events. Below are the priority considerations the TDC will look for when evaluating festival/events grant requests.

1. Commitment to the Expansion of Tourism in Putnam County. Evidence that the event serves to attract out of county visitors generating overnight stays; marketed to the fullest extent possible in an effective and efficient manner, demonstrates a willingness of the organizer to work with the tourism industry and commits to develop other funding sources in subsequent years.
2. Dates of the Event. Priority consideration will be given to events held during periods of lower occupancy.
3. Duration of Event. Priority consideration will be given to those with more days or overnight stays in Putnam County.
4. Out of County Promotion. Priority consideration will be given to those events well thought out and detailed to show the potential broad awareness of the event in out of market media.
5. Stability and Management Capacity. A proven record or demonstrated capacities of the organization to successfully develop resources, effectively plan, organize and implement the proposed event.
6. New Events. Preference will be given to events in their first few years in this county, as "seed" money, in the hope and expectation that Applicants will become self-sufficient in covering their own future event expenses. The TDC will actively avoid becoming a perpetual funding source for any event. Matching funds may be waived at the discretion of the TDC for new events.

EVENT ELIGIBILITY

1. **All events funded by the Tourist Development Council must be open & accessible to the general public.**

Events must be promoted to the public and cannot be unreasonably restrictive through admittance fees, public access or crowd capacity, which limits participation by visitors. One of the main purposes of the events must be to attract overnight visitors to Putnam County. Events which require a visitor to purchase a ticket to a third-party venue will not be considered.

2. **Impact benefit Putnam County.**

Events must take place in Putnam County. If these events are to be used for fundraising purposes, profits must go to programs that benefit Putnam County residents and/or charities.

3. **Mandatory Preparation Workshop.**

If you have not previously attended one of these mandatory workshops, please call Kim (386-328-1503) to register; you are required to rsvp (see program schedule).

4. **Annual Events.**

As a matter of Policy, applications for profit making events will not be considered for funding after a three year period except under special circumstances.

APPLICANT GUIDELINES
