The Putnam County Chamber of Commerce serves as the County’s economic development agency, with specific responsibilities to:

- Develop quality, regionally competitive wage jobs.
- Promote the health and expansion of existing businesses.
- Provide the resources and supportive environment to help local businesses and startup companies grow.
- Market Putnam County to target industries and within the state and region.
- Support workforce efforts that increase the skill and education level to ensure a qualified workforce able to fill current and future jobs.
- Promote and expand existing & future relationships on regional, state and federal levels.
- Continue a working relationship with government officials and foster coordinated economic development activities through the PCEDC.
On behalf of the Board of Directors for the Putnam County Chamber of Commerce and the Putnam County Economic Development Council, we would like to extend an invitation to invest in something that matters -- your community. Your investment will enable us to continue efforts to improve Putnam County’s business environment.

RECENT PROJECTS:

**Georgia-Pacific**
Over $500 million investment and addition of over 80 primary jobs (in progress nearing completion)

**FP&L - Solar Farms**
Approximately $360 million investment and creation of over 200 construction jobs with significant addition to the ad valorem tax rolls. (Third of four under construction)

**Seminole Electric—Gas Generation Unit**
